001	Australiana	National Bank calendars 1971 to 1979 inclusive. Beautifully reproduced prints of colonial life by artists such as T.S. Gill. I have been told these are sought after collectables.	5
002	Australiana	Shoe box of 20 Roadmaps from 1950's and 60's published by Broadbent's, motoring organisations and petrol stations. Various states of Australia covered. The 1952 map of Melbourne is interesting. My how it has changed!	5
